

2008-2009 School Year Foreign Exchange Students in need of home ...

I AM SO EXCITED TO ANNOUNCE HIGH SCHOOL EXCHANGE STUDENTS ARRIVING IN AUGUST FOR THE SCHOOL TERM! THIS IS JUST A FEW AS 60 WILL ARRIVE IN VIRGINIA FROM OVER 40 COUNTRIES.

I am in need of good host families for these students who provide their spending money and health insurance, participate in school and family activities. It is imperative that I secure homes now to ensure schools and visas.

**CALL BECKY BELL at Council on International Educational Exchange

Thank you for your help in finding good families to share the cultural experience:

STU08081 16 year old Czech boy who has a 5 year old brother and 7 year old sister who he adores and teaches them skiing and soccer. Very athletic including cycling. He also loves music. We had 2 families who wanted him but the school wont accept due to over crowding.

16 year old Thai girl who plays tennis on a team, wants to teach the “kim” a Thai instrument. She has attended camp to understand how to improve the environment and control pollution. She loves music and loves to study languages: English and Chinese. Has a 13 year old brother, never studied abroad. Her nickname is “Shampoo” and her favorite movies are on “channel 7.”

YSA08008 16 year old boy from Bahrain. He is a scholarship student supported by the state dept. Speaks English for 10 years. Loves to ride horses. Enjoys watching the car races. Has 2 older sisters and a 2 year old niece that lives with his family. Paints and draws and loves to help people.
