**III. CERTIFICATION**

I certify that the information provided herein is true, accurate, and that the following conditions have been satisfied:

- *That the manufactured home has been installed in accordance with an installation design and instructions that have been provided by the manufacturer and approved by the secretary directly or through review by the DAPIA; or*
- *An installation design and instructions that have been prepared and certified by a professional engineer or registered architect, that have been approved by the manufacturer and the DAPIA as providing a level of protection for residents of the home that equals or exceeds the protection provided by the federal installation standards in §3285.*
- *The installation of the home has been inspected as required by §3286.503 and an inspector has verified the installation as meeting the requirements of this part.*
- *All installation defects brought to the installer's attention have been corrected.*
